

Tutoring Agreement

Cancellation

By undertaking tutoring with Get Science Tuition and its tutors you are agreeing to these cancellation terms.

Get Science prides itself on its reliability and flexibility for students so we will always do our best to facilitate appointment changes but we require notice to do this.

You may cancel your tutoring session with no penalty up to 24 hours before the scheduled session. If, however, you cancel within 24 hours of the session, payment is due in full- although discretion to rearrange appointments can be made by the tutor on a case by case basis.

To cancel an appointment, call or text 07817612392 or email louisa@getscience.co.uk as early as possible.

Scheduling

A regular weekly scheduled session is best, but with notice I may be able to adjust your tutoring session. Please contact me by mobile or email for scheduling.

This tutoring agreement may be terminated at any time by any party, within the cancellation policy guidelines above. If I must end the tutoring relationship for some reason, I will do my very best to give sufficient notice and provide referrals if requested.
